

Answer all the questions.
Each question is followed by four options lettered A to D. Find the correct option for each question and shade in pencil on your answer sheet the answer space which bears the same letter as the option you have chosen. Give only one answer to each question. An example is given below.

Which of the following does not promote progress in society?

- A. Communal labour
- B. Conflicts
- C. Festivals
- D. Reconciliation

The correct answer is Conflicts, which is lettered B and therefore answer space B would be shaded

A

C

D

Think carefully before you shade the answer spaces; erase completely any answer you wish change.

Do all rough work on this question paper.

Now answer the following questions.
